Squash Rackets Association

Minutes of the County Management Meeting - Tuesday 8th December

In Attendance: NO, MS, SH, CB and LH

Apologies: MH

1. **Minutes of Last Meeting:** Correct
2. **Matters Arising:-**
 - a. Kit: Positive response
 - b. Ladies Ladder: Hoping to go live asap. Leonie Holt to liaise with Sandra Robinson to get ladder on to website.
 - c. Affiliation: This is still fraught with problems.
Action: Nigel Orrett to organise a separate meeting to sort this.
3. **Leagues:** The committee are very grateful for all the work Roger More did during Steve Hubbard's illness without his help the leagues would be in disarray.

There have been a few teething problems with the switch to 'SquashLevels' but links to the National system is a huge benefit. There are still a few changes to be made but the new system is a great success.
4. **Junior Report:** No report due to absence of new junior chairman
Action: Nigel Orrett to invite Jackie Bulman to the next meeting.
5. **Treasures Report:** Finances are all okay but some clubs are "tardy" in paying entry fees
Action: Chris Barker to chase any excess funds from last year's Racketball championships.
6. **Coaching:** Any affiliated clubs wishing to run Level 1 Coaching courses should contact Mo Sarwar or Nigel Orrett. The County is able to subsidise 1/3rd of the course.

For individuals who wish to become a Level 2 Coach the usual subsidy is 1/3rd from the County, 1/3rd from their club – subject to certain conditions being met.
7. **A.O.B:**
 - a. Regional Squads: If a coach wishes to run the regional squads and championships a tender should be submitted to the regional committee (bett@bettsquash.co.uk)
 - b. Midland League: As this league is now defunct monies left in this account were discussed.
 - c. County Selection: An e-mail has been received from players thanking the committee for their selection to play for the county.
8. **Date of next meeting:** Tuesday 15th March 7:00pm.
